5.1.2 Agency's Obligations. AGENCY hereby promises and agrees to pay CONTRACTOR for all work performed in accordance with these Contract Documents at the time, in the manner, and upon the conditions set forth in the Contract Documents.

5.1.3 Authorized Agency Representatives. On behalf of the AGENCY, and through the authority of the City Manager, the City Engineer (hereinafter "Engineer") shall be the AGENCY's authorized representative in the interpretation and enforcement of all work performed in connection with this Agreement. The Engineer may delegate authority in connection with this Agreement to the Engineer's designees. The Engineer is authorized to approve change orders which do not exceed two hundred thousand dollars (\$200,000.00) or ten percent (10%) of the Contract price, whichever amount is smaller. Change orders in excess of these amounts shall be approved only by action of the City Council. The Project Manager shall be the Engineer's authorized representative for the purposes of administering this Contract, interpreting and enforcing the terms of the Contract Documents and approving contract change orders which do not result in a change in compensation or time for performance. The Project Manager shall be Bronti Cash unless otherwise amended in writing by the Engineer. The Project Manager and the Inspector, on behalf of the Engineer, shall be authorized to suspend the CONTRACTOR's performance, and shall have access at all times to the Project Site and all Contract Documents in the CONTRACTOR's possession. 5.1.4 Contractor's Obligations. For and in consideration of the payments and agreements to be made and performed by AGENCY, CONTRACTOR agrees to perform or cause to be performed all work set forth in the Contract Documents which shall consist of furnishing all materials, equipment, tools, labor and incidentals required to complete the project in a good and workmanlike manner satisfactory to the Engineer. The CONTRACTOR shall furnish and maintain in good condition all equipment and facilities as required for the proper execution and inspection of the Work.

The CONTRACTOR shall perform diligently and continuously in order to complete all work set forth in the Contract Documents in every detail to the satisfaction of the Engineer. Some arterial streets may require night work between the hours of 9:00 p.m. and 5:00 a.m. as determined by the Engineer. Deviation from these hours will not be permitted without the prior consent of the Engineer, except in emergencies involving immediate hazard to persons or property.

**Loma Alta Slough Wetlands Enhancement Project – Package No. 31 Public Works Agreement

In the event of either a requested or emergency deviation, inspection fees will be charged against the CONTRACTOR. The service fees will be calculated at overtime rates including benefits, overhead, and travel time. The service fees will be deducted from any amounts due to the CONTRACTOR.

CONTRACTOR's relationship to the AGENCY shall be that of an independent contractor. CONTRACTOR shall have no authority, express or implied, to act on behalf of the AGENCY as an agent, or to bind the AGENCY to any obligation whatsoever, unless specifically authorized in writing by the Engineer.

CONTRACTOR shall be solely responsible to AGENCY for the performance of the CONTRACTOR, and any of its employees, agents, subcontractors, or suppliers, under these Contract Documents. The CONTRACTOR agrees to bind every subcontractor by the terms of these Contract Documents as far as such terms are applicable to the subcontractor's work. Only competent workers shall be employed on the Work. Any person employed, who is found to be incompetent, intemperate, troublesome, disorderly or otherwise objectionable, or who fails or refuses to perform work properly and acceptably, shall be immediately removed from the Work by the CONTRACTOR and not be re-employed on the Work.

5.1.5 Time of the Essence. Time is of the essence in performance of work under these Contract Documents and all timing requirements shall be strictly adhered to unless otherwise modified by the AGENCY in accordance with the Contract Documents.

5.1.6 City Business License. Prior to the commencement of any work under this Agreement, the CONTRACTOR shall obtain and present a copy of an Oceanside City Business License to the City Engineer.

5.1.7 Compliance with NPDES and Storm Water Discharge Requirement. Prior to the commencement of any work, the CONTRACTOR shall verify evidence of existing coverage under California's Statewide General NPDES permit for Storm Water Discharges Associated with Construction Activities for all projects subject to the permit. CONTRACTOR shall also retain on the jobsite a Storm Water Pollution Prevention Plan (SWPPP) for inspection by the State Regional Water Quality Control Board (RWQCB) and the City, and shall implement the approved plan concurrent with the construction activities. CONTRACTOR shall comply with all applicable Federal, State and local laws, regulations and requirements pertaining to storm water discharges. Failure to do so can result in the issuance of a Stop Work Order until such time as the site is brought into compliance.

CONTRACTOR shall comply with California RWQCB Order No. R9-2015-0013. CONTRACTOR shall file a discharge Notice of Intent (NOI), and comply with all permit requirements for any proposed discharge of groundwater, including construction groundwater extraction, or excavation or foundation groundwater extraction from any source (other than storm water runoff) regardless of volume. The discharge of groundwater NOI and permit requirements are separate from, and in addition to, the State

5.1.8 Contractor's Compensation. The CONTRACTOR agrees to receive and accept the sum of **\$3,041,054.54** pursuant to the Bid Schedule set forth in Section 3.5, as full compensation for furnishing all materials, performing all work, and fulfilling all obligations according to the terms and conditions of the Contract Documents. Said compensation shall cover all expenses, losses, damages, and consequences arising out of the nature of faithfully completing the work in the time and manner specified in the Contract Documents.

5.1.9 Workers' Compensation Certification. Pursuant to Labor Code Section 1861, the CONTRACTOR hereby certifies that the CONTRACTOR is aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that Code, and the CONTRACTOR will comply with such provisions, and provide certification of such compliance as a part of these Award Documents. The certification shall be in accordance Subsections 5.1.10(d) through 5.1.10(h) of this Agreement.

The portion of Section 3700 of the California Labor Code which is relevant to this project is as follows:

"Every employer except the State shall secure the payment of compensation in one or more of the following ways:

- (a) By being insured against liability to pay compensation in one or more insurers duly authorized to write compensation insurance in this state.
- (b) By securing from the Director of Industrial Relations a certificate of consent to self-insure, which may be given upon furnishing proof satisfactory to the Director of Industrial Relations of ability to self-insure and to pay any compensation that may become due to his employee."

5.1.10 Liability Insurance.

- (a) CONTRACTOR shall, throughout the duration of this Agreement maintain comprehensive general liability and property damage, insurance, or commercial general liability insurance, covering all operations of CONTRACTOR, its agents and employees, performed in connection with this Agreement including but not limited to premises and automobile.
- (b) CONTRACTOR shall maintain insurance in the following minimum amounts:

**Loma Alta Slough Wetlands Enhancement Project – Package No. 31 Public Works Agreement
C-750762711**

(1) GENERAL LIABILITY

(a)	Comprehensive General Liability Insurance (bodily injury and property damage)	
	Combined Single Limit per Occurrence	\$2,000,000
	General Aggregate per year, or part thereof	\$4,000,000

or

(b)	<u>Commercial General Liability Insurance</u> (bodily injury and property damage)	
	General Limit per Occurrence	\$2,000,000
	General Limit Project Specific Aggregate	\$4,000,000

(2) AUTOMOBILE LIABILITY INSURANCE **\$2,000,000**

If coverage is provided through a Commercial General Liability Insurance policy, a minimum of 50% of each of the aggregate limits shall remain available at all times. If over 50% of any aggregate limit has been paid or reserved, the AGENCY may require additional coverage to be purchased by the CONTRACTOR to restore the required limits. The CONTRACTOR shall also notify the AGENCY's Project Manager promptly of all losses or claims over \$25,000 resulting from work performed under this contract, or any loss or claim against the CONTRACTOR resulting from any of the CONTRACTOR's work.

- (c) All insurance companies affording coverage to the CONTRACTOR for the purposes of this Section shall add the City of Oceanside as "additional insured" under the designated insurance policy for all work performed under this agreement. Insurance coverage provided to the City as an additional insured shall be primary insurance and other insurance maintained by the City of Oceanside, its officers, agents, and employees shall be in excess only and not contributing with the insurance provided pursuant to this Section.
- (d) All insurance companies providing coverage under this agreement shall be insurance organizations authorized by the Insurance Commissioner of the State of California to transact business of insurance in the state or be rated as A-X or higher by A.M. Best.
- (e) All insurance companies affording coverage shall provide thirty (30) day written notice to the City of Oceanside should the policy be cancelled before the expiration date. For the purposes of this notice requirement, any material change in the policy prior to the expiration shall be considered a cancellation.
- (f) CONTRACTOR shall provide evidence of compliance with the insurance requirements listed above by providing a certificate of insurance and applicable endorsements, in a form satisfactory to the City Attorney, concurrently with the submittal of this Agreement.

**Loma Alta Slough Wetlands Enhancement Project – Package No. 31 Public Works Agreement
C-750762711**

- (g) CONTRACTOR shall provide a substitute certificate of insurance no later than thirty (30) days prior to the policy expiration date. Failure by the CONTRACTOR to provide such a substitution and extend the policy expiration date shall be considered a default by CONTRACTOR and may subject the CONTRACTOR to a Stop Work Notice until the CONTRACTOR has cured the default.
- (h) Maintenance of insurance by the CONTRACTOR as specified in this Agreement shall in no way be interpreted as relieving the CONTRACTOR of any responsibility whatever and the CONTRACTOR may carry, at its own expense, such additional insurance as it deems necessary.
- (i) CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that AGENCY is an additional insured on insurance required from subcontractors. For CGL coverage subcontractors shall provide coverage with a form at least as broad as CG 20 38 04 13.

5.1.11 Contractor's Indemnification of Agency. CONTRACTOR shall indemnify and hold harmless the AGENCY and its officers, agents and employees against all claims for damages to persons or property arising out of the conduct of the CONTRACTOR or its employees, agents, subcontractors, or others in connection with the execution of the work covered by this Agreement, except only for those claims arising from the established sole or active negligence or sole willful misconduct of the AGENCY, its officers, agents, or employees. CONTRACTOR's indemnification shall include all claims for damages arising out of any infringement of patent rights or copyrights incident to the use in the performance of the Work or resulting from the incorporation in the work of any invention, design, process, product, or device not specified in the Contract Documents. CONTRACTOR's indemnification shall include any and all costs, expenses, attorneys' fees and liability incurred by the AGENCY, its officers, agents, or employees in enforcing the provisions of this subsection, and in defending against such claims, whether the same proceed to judgment or not. Further, CONTRACTOR at its own expense shall, upon written request by the AGENCY, defend any such suit or action brought against the AGENCY, its officers, agents, or employees.

5.1.12 Contractor's Guarantee. The CONTRACTOR hereby guarantees that the entire work performed and all materials, parts, and equipment furnished on this project by the CONTRACTOR, all subcontractors, suppliers and vendors shall meet all requirements of this contract as to the quality of materials, equipment, and workmanship during the Guarantee period. The Guarantee period shall begin on the date on which the work of improvement for this Public Works Agreement is accepted by the AGENCY, or the date of recordation of the Notice of Completion, whichever is earlier, and shall be in effect for three hundred and sixty-five (365) days thereafter.

If the Engineer determines that any of the work performed, or any of the materials, parts or equipment furnished are defective, or have become defective, during the Guarantee

**Loma Alta Slough Wetlands Enhancement Project – Package No. 31 Public Works Agreement
C-750762711**

period, the AGENCY shall have the unqualified option to make any needed replacements or repairs itself or to have such replacements or repairs performed by the CONTRACTOR. For the purposes of this Guarantee, the term "defective" shall mean any work performed, or any materials, parts, or equipment furnished which fails to be in a condition as originally intended in accordance with the Plans and Special Provisions, due to the negligent or intentional acts, errors or omissions of the CONTRACTOR.

If the AGENCY elects to have the needed replacements or repairs performed by the CONTRACTOR, and the Engineer gives written notice of this election to the CONTRACTOR, the CONTRACTOR agrees to perform the replacements or repair at no cost to the AGENCY within thirty (30) days after the date of the Engineer's written notice.

If the CONTRACTOR fails to perform within thirty (30) days after the date of the Engineer's written notice, or if the AGENCY elects to perform the needed replacements or repairs itself, the AGENCY shall be entitled to compensation from the CONTRACTOR for all costs and expenses reasonably incurred in restoring the work to the condition as originally intended, including the cost of any such equipment or materials replaced, the cost of removing and replacing any other work necessary, and attorneys' fees.

5.1.13 Assignment and Delegation. This Contract and any portion thereof shall not be assigned or transferred, nor shall any of the CONTRACTOR's duties be delegated, without the express written consent of the AGENCY. Any attempt to assign or delegate this contract without the express written consent of the AGENCY shall be void and of no force or effect. A consent by the AGENCY to one assignment shall not be deemed to be a consent to any subsequent assignment.

This Contract shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns.

5.1.14 Entire Agreement. The Contract Documents comprise the entire agreement between AGENCY and CONTRACTOR concerning the work to be performed for this project. The Contract Documents are complementary; what is called for in one is binding as if called for by all.

5.1.15 Interpretation of the Contract. The interpretation, validity and enforcement of this Contract shall be governed by and construed under the laws of the State of California ("State"). The Contract Documents do not limit any other rights or remedies available to AGENCY.

The Table of Contents and section and subsection headings contained in the Contract Documents are for convenience in reference and are not intended to define or limit the scope of any provision thereof.

Should any provision herein be found or deemed to be invalid, these Contract Documents shall be construed as not containing such provision, and all other provisions which are

otherwise lawful shall remain in full force and effect, and to this end the provisions of these Contract Documents are severable.

The CONTRACTOR shall be responsible for complying with all Local, State, and Federal laws whether or not said laws are expressly stated or referred to herein.

5.1.16 Protection of Personal Information. “Personal information” means information that identifies, relates to, describes, is reasonably capable of being associated with, or could reasonably be linked, directly or indirectly, with a particular consumer or household, as more fully defined in California Civil Code section 1798.140. The CONTRACTOR shall not collect any Personal Information except as is necessary for performance of obligations under this Agreement or otherwise required by law. The CONTRACTOR shall protect, according to reasonable industry standards, the privacy and security of any Personal Information to which CONTRACTOR has access in connection with this Agreement and shall not disclose such Personal Information to any third party or government agency, including federal immigration enforcement agents, unless required by this Agreement or by State or federal law.

5.1.17 Contract Modification. This Contract may not be modified orally or in any manner other than by an agreement in writing signed by the parties hereto, or in accordance with subsection 7.21

5.1.18 Waiver. No term or provision hereof shall be deemed waived and no default or breach excused, unless such waiver or consent shall be in writing and signed by the party claimed to have waived or consented to such breach. The consent by any party to, or waiver of, a breach or default by the other, shall not constitute a consent to, waiver of, or excuse for, any other different or subsequent breach or default.

5.1.19 Signatures. The individuals executing this Public Works Agreement represent and warrant that they have the right, power, legal capacity and authority to enter into and to execute this Agreement on behalf of the respective legal entities of the CONTRACTOR and the AGENCY.
