2
3 The actions recommended by the city manager shall be summarized in the agenda
4 statement for each item on the consent calendar. The consent calendar items may be
5 approved by a single motion. Before adoption of the consent calendar the mayor shall
6 first determine whether any member of the council, city staff or the audience desires to
7 remove an item for comment or discussion. In that event, the mayor may defer action on
8 the particular matter or matters and place them on the regular agenda for consideration in
9 any order deemed appropriate. A request from the public to comment on an item must be
10 submitted to the city clerk prior to council consideration of the consent calendar. Any
11 member of the city council may record a negative vote or an abstention on a consent
12 calendar item without removing the item for discussion by so noting before or after a
13 motion to approve the consent calendar is on the floor.

14 The written agenda available to the public and to the city council shall provide an
15 explanation to the public concerning the consent calendar which reads substantially as
16 follows:

17 "All items listed on the consent calendar are considered to be routine matters or
18 are considered formal documents covering previous city council instructions. The
19 items listed on the consent calendar may be enacted in the form listed below by
20 one motion and a second. There will be no separate discussion of the consent
21 calendar items unless members of the city council, the city staff or the public
22 request discussion on specific consent calendar items at the beginning of the
23 meeting. Public requests to discuss consent calendar items must be filed with the
24 city clerk before the consent calendar is called."

26 amended to read:

27 (a) It is the policy of the council to permit members of the public to address the council
28 on non-public hearing agenda items. The amount of time allocated to speakers on a

1 in excess of three (3) minutes unless a greater time limit is approved by the city

4 (b) Any person desiring to address the council on a matter not formally scheduled for
5 public hearing must submit a request for permission to address the council. A request
6 from the public to comment on an item must be submitted to the city clerk prior to

8 of time to speak between individual speakers.

9 (c) Each person desiring to address the council shall state his or her name and address
10 or area of the city in which he or she lives for the record, and state whom he or she

12 shall be addressed to the council as a whole and not to any member thereof. No
13 questions shall be asked of a council member or a member of the city staff without
14 obtaining the permission of the presiding officer. The presiding officer shall not
15 permit any communication, oral or written, to be made or read where it does not
16 bear directly on the agenda item then under discussion.

18 Chapter 2, Section 2.1.26 (d) and (e) shall remain unchanged.

25 consideration of the consent calendar. Speakers will be called with priority given to
26 the written requests to speak filed seven (7) days in advance, in order of receipt. Any

28 after the other agenda items have been considered.
