Note:	CT West makes every effort to correctly and accurately quote products and services based upon available and/or provided information, such as plans and specifications. However, prior to placing an order with us, it is the responsibility of the purchaser to verify that this quote accurately represents what is required for a given project and/or stock purchase.		
Note:	Quoted pricing is effective for 30 days from date of quote. After 30 days, please contact us for updated pricing. CT West does not guarantee pricing more than 30 days. Final pricing will be determined upon release for shipment. We apologize for this inconvenience, but our costs are currently highly erratic and we must base our sell price on our purchase prices. Thanks for understanding.
