Attachment: Assistance Resource Directory - San Diego County North

PURPOSE

Oceanside's Comprehensive Homeless Strategy serves as a report on the current status of homelessness in the City, its impact on efforts underway, and provides a framework for integrated and coordinated approaches to help the homeless situation. The City cannot respond to this County and Statewide crisis on its own. Many homeless individuals suffer from substance abuse and/or mental health issues which far exceed a City's ability to respond. Clearly, the County of San Diego which is tasked with "community health" responsibilities, needs to take on an even greater role in Oceanside and North County to make meaningful progress. The State, County, City, and the nonprofit community need to work in concert to make meaningful progress.

By developing a comprehensive homeless strategy, it is anticipated the City and its partners can more effectively meet the needs of the families and individuals who are experiencing homelessness and minimize negative community impacts. Going forward will take dedicated resources likely beyond what is currently available. Oceanside's climate and beaches, along with the San Luis Rey River flood control channel, and having the North County's major transit center hub in Oceanside contribute to an attractive environment for the homeless population. Additionally, the County of San Diego has cited two large service Centers (Oceanside Boulevard and Rancho Del Oro Drive) in Oceanside and many social service nonprofit organizations such as Brother Benno's provide homeless services, which may make Oceanside more susceptible to larger homeless numbers.

BACKGROUND

Many factors have coalesced to increase the incidences of homelessness in San Diego County over the past several years, including:

- The cost of rental housing has increased dramatically since 2012, while the median household income has remained relatively stagnant
- Low vacancy rates for housing in Oceanside, resulting in Housing Choice (Section 8) voucher holders' inability to find affordable rental units that accept vouchers
- State law changes, such as AB 109, Proposition 47 and 57 have resulted in more people living with mental illnesses, criminal histories, and substance abuse disorders in the community without plans for housing.
- San Diego County jail booking requirements: The San Diego County Sheriff only accepts certain misdemeanor crimes for booking purposes (i.e. warrants, DUI, Domestic Violence). This has resulted in an inability to book many homeless-related crime suspects into jail, and instead requires us to issue a citation.
- Lack of Court filings: The courts are overwhelmed with misdemeanor cases. Currently, the issuing court will only issue serious misdemeanors (i.e. DUI, Domestic Violence). This has resulted in many of our cases involving homeless-related crimes being dropped.
- [The recent 9th Circuit Court \(September 2018\) Boise Decision](#) places an extraordinary burden on municipalities. The decision says "So long as there is a greater number of homeless individuals in a city than the number of available beds in shelters, the city cannot prosecute homeless individuals for "involuntarily sitting, lying, and sleeping in public." "That is, as long as there is no option of sleeping indoors, the government cannot criminalize indigent, homeless people for sleeping outdoors, on public property, on the false premise they had a choice in the matter." [Read more](#)

Homelessness is a County and Statewide challenge; no City is immune, and the Federal, State and County governments need to increase their commitment to municipalities that can't possibly solve the homeless issue on their own. However, the City of Oceanside is rising to meet the challenge as best as possible and is implementing "best practices" as identified by both the League of California Cities and other acknowledged homeless service organizations.

There are a number of actions that the City ***cannot*** legally take:

- Arrest someone for being homeless
- Clear all brush from the riverbed
- Physically arrest people for trespassing in the riverbed
- Clean out encampments immediately
- Arrest someone for asking for money
- Arrest someone for loitering on public property (people cannot loiter on private property if the property owner prohibits it.)
- Cite or tow RVs or vehicles that are parking in one place for less than 72 hours.
- Put homeless people on busses and ship them out of the City

OVERVIEW

Homelessness is a multi-faceted issue with many contributing factors, including economic hardship, lack of job skills training, mental illness, substance use disorders, physical disabilities, limited support networks for criminal offenders exiting the system, coupled with reduced policing authority.

As required by the Housing and Urban Development agency, the Neighborhood Services Department in the City of Oceanside participates in the annual [Point-in-Time count](#) of people experiencing homelessness in Oceanside. The count is achieved by dividing the region into mapped segments, canvassing them with staff and community volunteers, and interviewing and counting unsheltered homeless individuals and families. Oceanside's homeless numbers have decreased by 28% since 2016. The last count was done on January 25, 2019 and identified 483 homeless individuals, which was a 9% decrease from 531 in 2017. Despite these successes, significant challenges remain. The next Point-in-Time count is scheduled for January, 2020.

It should be noted that the 2017 outbreak of Hepatitis A in San Diego County caused municipalities to implement further measures to combat the virus that had primarily affected the County's homeless community. The City of Oceanside was, and continues to be, extremely proactive by ensuring that homeless individuals and homeless service providers, along with City staff who serve the homeless, were vaccinated. In 2017, over 2,500 individuals in the at-risk population in Oceanside were vaccinated. All of the City's first responders, as well as other City staff who may come in contact with the homeless community were vaccinated. Other Oceanside actions continue to include sanitizing public areas and opening the winter homeless shelter early.

Oceanside's efforts on Hepatitis A are outlined on the City's website:

<https://www.ci.oceanside.ca.us/gov/ns/hepatitisa.asp>.

CITY OUTREACH EFFORTS

The City of Oceanside uses multiple approaches and partnerships to serve those experiencing homelessness in the community and works toward alleviating the effects of homelessness. The City has engaged stakeholders to develop results-based efforts to address homelessness, including:

City Council

The City Council adopted a Resolution on October 3, 2018, to declare a temporary shelter crisis, to allow churches to shelter up to 50 homeless people without having to obtain a Condition Use Permit, and to open November 1, 2018 through April 15, 2019. On October 17, 2018, the City Council adopted a Resolution allowing the City to be eligible to apply, through our Continuum of Care (COC) for the State of California Homeless Emergency Aid Program (HEAP). Staff requested funds for:

- Two (2) new Social Workers via contract, to support the City's second Homeless Outreach Team (HOT) that is authorized as of July 1, 2019, as well as Housing Authority to assist homeless individuals with housing navigation, plus all required equipment and related on and offsite costs.
- Support development of a database to assist with reporting requirements and tracking of services (internal and external)
- Bus passes to help individuals with transportation barriers in apartment searches and/or retaining housing
- Purchase a HOT van that will include a disabled lift and installation of computer terminal and new vehicle maintenance

On June 6, 2018, the City Council approved an Ordinance and Resolution to place a ½ cent Sales Tax Measure on the November 6, 2018 ballot after much research, polling and community outreach.

On November 6, 2018, Oceanside voters approved "Measure X" by 55.7%. On November 28, 2018, the City Council adopted an Ordinance creating the Citizens Oversight Committee (COC), approved By-Laws and the Responsible Spending Pledge. The focus of Measure X is to enhance public safety and improve infrastructure. The tax is in place for seven (7) years and will expire in 2026.

On March 21, 2019, the Measure X COC approved the Fiscal Year 2019/2020 Spending Plan that included the following items related to homelessness:

POLICE

1. Additional Homeless Outreach Team (2 Officers and 1 vehicle) (vehicle is one-time cost)	\$376,357	Ongoing
2. Crime suppression Team OT (downtown/homeless)	\$650,000	Ongoing
3. One additional contract social worker for HOT	\$77,000	Ongoing
Police subtotal	\$1,103,357	

HOMELESS-GENERAL

1. Homeless Diversion / Prevention Program & Homeless Reunification Program	\$400,000	Ongoing
2. Contract Sobering Services	\$500,000	Ongoing
3. Homeless Hiring Program	\$100,000	Pilot program/ ongoing
Homeless-General subtotal	\$1,000,000	

The City Council also approved a number of Ordinances that enable the enforcement of quality of life issues such as a smoking ban, loitering ban, and shopping cart blight removal. A Shopping Cart Ordinance was adopted on August 8, 2018, and became effective January 1, 2019. The purpose of the Ordinance was to reduce blight and the prevalence of stolen or abandoned shopping carts throughout the City. The Ordinance requires businesses to have a plan to keep carts on their sites (i.e. employ a locking mechanism) or contract with a retrieval service. The Business License Inspector visited all Oceanside stores with shopping carts. Staff is working with several retailers not yet in compliance to adhere to the Ordinance requirements.

On April 17, 2019, the City Council approved the Spending Plan at a Budget Workshop and final budget adoption occurred on June 5, 2019.

Additionally, as part of the FY 2019/20 budget, OPD was given an additional \$325,000 in overtime for increased Encampment Detail and for downtown patrols. \$30,000 was allocated for two (2) new hourly Police Cadet positions to support the HOTs.

Oceanside Neighborhood Services Department

- Works with the Alliance for Regional Solutions, a coalition of nine cities and more than 50 non-profit service providers and funders. The Alliance was first assembled to develop a winter homeless shelter system. This was accomplished 13 years ago, and is now evolving into a “Bridge to Housing” program to move chronically homeless individuals and families into permanent housing. The Alliance has taken the lead in North County to implement the Coordinated Entry System, a centralized data system used by agencies to ensure that services are being coordinated in order to maximize resources and alleviate duplication of homeless services.
- Implemented the “Housing First” model, a recovery-oriented approach to ending homelessness that centers on quickly moving people experiencing homelessness into independent and permanent housing, and then providing additional supports and services as needed.
- Allocated 1,529 Section 8 Housing Choice Vouchers as of June 2019. Of 1,529 vouchers:
 - 30 are for homeless veteran families and chronically homeless single persons referred through the Coordinated Entry System (CES)
 - 96 are for Project One for All (POFA), a program dedicated to severely mentally ill homeless persons referred through CES
 - 100 are for Veteran’s Affairs Supportive Housing (VASH) for homeless veterans referred by the Veterans Administration
 - 50 are for Project Based Vouchers (PBV); 25 serve homeless people with HIV/AIDS and 25 serve homeless families
 - 86 are for the Family Unification Program, which serves families with active cases with the San Diego County Health and Human Services Administration Child Welfare Services Division. These families have been separated, or are at risk of being separated due to inadequate housing
 - 145 are for non-elderly people with disabilities at risk of becoming homeless
- Maintains the Section 8 Housing Choice Voucher waiting list of 5,696 households, which means an approximately eight-year wait.
- Have assisted an average of 1,496 families per month thus far in 2019 by providing rental assistance through the Section 8 Housing Choice Voucher Programs, including some which have “ported” to Oceanside from other jurisdictions.
- Maintains one (full-time equivalent) Social Worker within the Housing Authority, which may be increased if the HEAP grant is awarded in June 2019. Social Workers assist homeless people who have received a voucher with locating suitable housing and provide additional referrals and counseling to assist with the transition to permanent housing. In addition, the Social Workers provide resources to voucher holders (who are often people with mental or physical disabilities) who are at risk of becoming homeless.

Oceanside Police Department (OPD) Homeless Outreach Team

The Homeless Outreach Team (HOT) provides real-time services and engagement for individuals and families living on the street or in places not meant for habitation. As previously mentioned, the City Council approved a second HOT beginning July 1, 2019. These activities are designed to be proactive and use a multi-disciplinary approach. The Oceanside Police Department's Homeless Outreach Teams operate in public spaces throughout Oceanside, as well as holding standing office hours for walk-ins. The City has recently expanded the Homeless Outreach Team's capacity to better connect those experiencing homelessness with available resources by adding a full time Social Worker to accompany the Homeless Outreach Team; A second Social Worker will begin July 1, 2019. This is in addition to the two (2) full time Social Workers in the Neighborhood Services Department beginning July 1, 2019. The Social Workers partner and assist the HOTs in the field and links the homeless with necessary services throughout the County.

Health and Human Services Agency (HHSA) Nurses have also assisted in the field in administering Hepatitis A vaccinations. In Home Outreach Team, (I-HOT), a subsidiary of Mental Health Systems, and McAlister Institute social workers also assist HOT on a weekly basis. ALPHA Project and the Regional Taskforce for the Homeless (RTFH) participate in office hours, collaborating with HOTs and the clients they share. HOTs participate in several community and County meetings and working groups, including the regional HHSA-led quarterly meetings. These meetings are a collaboration of all San Diego County HOT teams and service providers in an effort to share resources and best practices to address homeless issues in each particular region. A monthly housing navigation meeting is organized by RTFH and is a collaboration of North County service providers who meet to train on the Homeless Management Information System (HMIS), share information regarding specific programs, and case conference ideas regarding shared clients.

To complement the HOTs efforts, the City frequently partners with Psychiatric Emergency Response Teams (PERT) to discuss best practices to address common clients. The Social Workers who assist HOTs attend the monthly PERT roundtable meetings.

In addition to the Police HOTs, OPD fields "Neighborhood Policing Teams" throughout the community. Members of the Neighborhood Policing Team have specialized training in Crime Prevention through Environmental Design (CPTED). Members of the community can take advantage of an Oceanside Police Department CPTED analysis, where suggestions are provided to reduce the likelihood of crime taking place at businesses and residences. Lighting type, vegetation, fencing, and access to water and power all play a role in whether a location is more or less susceptible to crime. Neighborhood Policing Teams also respond to community concerns about homelessness and they are available to meet with community groups and homeowner associations by contacting the Police Department at 760-435-4900.

The following is a summary of Encampment Detail statistics from OPD and Code Enforcement:

Since fiscal year 2018/19, there are Encampment Details four times per week.

2017 TOTALS		2018 TOTALS		2019 TOTALS (through April)	
Misd. arrests	169	Misd. arrests	268	Misd. arrests	73
Felony arrests	29	Felony arrests	70	Felony arrests	33
Camps removed	210	Camps removed	691	Camps removed	110
Citations issued	414	Citations issued	1,005	Citations issued	101
Advisements	180	Advisements	497	Advisements	392

Camps removed since 4/16: Trash bags=12,823; Yards of trash: 1,728

Code Enforcement

The Code Enforcement Division works in concert with the Police Department, Neighborhood Services Department, City Attorney's Office, and City Manager's Office to address illegal homeless encampments throughout the community. To report an encampment, please call Oceanside Customer Care at 760-435-4500 or use the free "My Oceanside" app which seamlessly routes issues to City departments for handling. Displaced homeless individuals are counseled via the social workers' attempt to meet their needs, including appropriate referral for mental health, sober in-services and shelters. The City's FY2019/20 budget included an additional \$40,000 for Encampment Detail overtime.

Oceanside Public Library

Civic Center Library provides table space in the foyer area on a weekly basis for local organizations who are helping the homeless population:

- **Interfaith Services** - provides resources for people experiencing homelessness with the goal of helping them into the workforce.
- **McAlister Institute** - provides resources and information on basic needs
- **Serenity House** - provides resources and information on basic needs geared specifically to women
- **TAY** - provides information and assistance to Transitional Aged Youth

Both the Civic Center and Mission Branch Library community rooms were used as Hepatitis A vaccinations sites by the County's Health and Human Services staff. Library staff helped spread the word to their target audience.

For the past three years, the Library has been a sign-up and pick-up site for the San Diego Stand Down event that is hosted by Veterans Village every summer. The Library also participated in the first North County Stand Down event last February.

CITY DEPARTMENT COORDINATION

The following is a summary of City Departments' responsibilities related to the homeless:

CITY DEPARTMENT	EXPENDITURE AREAS
City Attorney's Office	<ul style="list-style-type: none"> Provides legal guidance on homeless-related issues, including encampments Assists with new policies/ordinances to affect homeless impacts to the community
City Manager	<ul style="list-style-type: none"> Develops plans for City Departments to address homeless-related issues Evaluates existing ordinances on camping, parking, land use, property maintenance, and noise in response to homeless-related complaints Recommends budget allocations for Council approval
Development Services	<ul style="list-style-type: none"> Writes Housing Element and takes lead on Housing Element compliance Prioritizes plan check and permit processing of affordable housing projects
Economic Development	<ul style="list-style-type: none"> Liaison between businesses / Code Enforcement / OPD
Fire	<ul style="list-style-type: none"> Responds to emergency medical service calls related to homeless individuals (2,499 estimated in 2017) and 1,916 from January 1, 2018 – September 20, 2018 Provides emergency medical transportation Provides basic paramedicine to those who are not transported Manages City's response to health-related issues such as the San Diego County Hepatitis A crisis Responds to fires caused by homeless encampments and the illegal use of fire for warming and cooking
Information Technologies/Customer Care	<ul style="list-style-type: none"> Fields calls pertaining to homeless issues Keeps updated lists of food banks, shelters and other community services Makes referrals to 2-1-1

Library	<ul style="list-style-type: none"> • Meets needs of homeless and veteran Library patrons • Provides a safe, clean, welcoming environment • Keeps updated list of available shelters • Supports homeless individuals in finding employment • Helps make connections to OPD Homeless Outreach Team • Makes referrals to organizations that provide services to homeless customers • Provides computer/Wi-Fi access • Provides recreational and educational reading materials • Through the Veterans Connect Center, provides referrals for homeless veterans
Neighborhood Services	<ul style="list-style-type: none"> • Manages the coordination of homeless response • Utilizes the services of social workers • Oversees affordable housing projects in Oceanside • Utilizes countywide Homeless Management Information System to track homeless individuals assisted by the Housing Division • Oversees Winter Shelter Program • Writes grant submissions, implements, and administers homeless services funding • Social workers assist homeless and formerly homeless with vouchers to locate and maintain suitable housing • Sets aside Housing Choice vouchers for homeless families/individuals • Administers rental assistance programs • Coordinates Homeless Point-in-Time count with Regional Task Force • Serves homeless population at City Resource Centers and Senior Centers • Provides referrals to families experiencing homelessness to community resources such as shelters, food banks, and social services • Serves as point-of-contact for non-profit and county service providers in the City. • Manages encampment details through Code Enforcement, including clean-up and removal of encampment debris • Searches and applies for appropriate grants

Police	<ul style="list-style-type: none"> • Manages the two (2) Homeless Outreach Teams that include two (2) specialized Social Workers • Manages Neighborhood Policing Teams • Utilizes Homeless Management Information System to complete assessments • Connects homeless with needed services • Provides crime suppression • Works with residents on homeless-related complaints • Works with local businesses on CPTED (Crime Prevention Through Environmental Design) to incorporate crime prevention tactics into the business design to reduce the probability of crime • Works weekly with a variety of service providers to include HHSA, I-HOT, ALPHA Project, McAlister Institute, and County Health Nurses
Public Works	<ul style="list-style-type: none"> • Oversees biohazard clean up: sidewalks, public spaces, restrooms, etc. • Removes debris as necessary • Assists with encampment efforts

PREVENTION

The Oceanside Housing Authority administers the rental housing assistance (vouchers) programs. These assistance programs are designed to provide help to low-income, elderly and disabled Oceanside residents to prevent homelessness. Currently, Oceanside assists households that lease in Oceanside through the following programs:

- [Section 8 Housing Choice Voucher Program](#)
- [Veteran’s Affairs Supportive Housing \(VASH\)](#)
- [Family Self-Sufficiency Program](#)
- [Fair Housing and Equal Opportunity](#)
- [Bond-financed restricted housing](#)
- [Inclusionary Housing](#)
- [Single-Family Rehab Loan Program](#)
- [Mobile Home Grants Program](#)
- [Homeownership Assistance Programs](#)
- [Community Development Block Grant \(CDBG\) Program](#)
- [HOME Affordable Housing Development Program](#)
- [Community Resource Centers](#) (Chavez, Crown Heights, Landes and Libby Lake)
- [Mobile Home Rent Control](#)
- [Senior Services](#)
- [2-1-1 resource and information hub](#)

COMMUNITY PARTNERSHIPS

Oceanside works in coordination with neighboring cities, agencies, service organizations, churches, businesses and residents sharing the same objectives: to create and preserve a desirable and thriving community for all Oceanside residents and visitors.

THE COMMUNITY CAN HELP

- Advocate for State and Federal Legislation that supports Public Safety's efforts to impact homelessness and provide suitable housing options
- Support Oceanside community partners and non-profits listed on page 11 that help people connect to services
- If you are a landlord, set aside rental units for VASH/Section 8 voucher holders
- Support Oceanside organizations that provide case management services
- Sponsor items that people need as they move to housing
- Donate services (haircuts, gift cards, resume writing)
- Provide clothing for job interviews and employment to charitable organizations
- Build job opportunities
- Supply personal hygiene care kits or items to Brother Benno's or Bread of Life for distribution
- Advocate for community mental health services
- Use the free City app ("My Oceanside") to report non-emergency issues
- Volunteer with [Miracle Messages](#), a non-profit that helps reunite people with their families
- Lobby county, state, and federal representatives for enhanced homeless crisis support
- Do not provide money, clothing, or food to homeless individuals. Provide those items to appropriate charitable organizations

ACTION ITEMS

- Ensure that all City departments are tracking homeless-related expenditures
- Ensure cross-departmental communications, especially with Neighborhood Services, Police, Fire, City Attorney, and City Manager to share information and to strengthen efforts
- Continue to build partnerships with neighboring cities, agencies and organizations to build capacity for future rapid rehousing and connection to services
- Create educational materials for residents and businesses on how to address or report homeless-related concerns
- Protect and increase supply of affordable housing in Oceanside
- Use new forms of active outreach to landlords with the goal of increasing voucher usage
- Identify new funding options; apply for appropriate grants
- Search for Bridge Housing monies
- Search out appropriate training for City staff regarding homeless issues
- Balance the needs to keep public areas and streets clean and safe with the rights and needs of people who have no home
- Consider expanding Winter Shelters
- Work with North County Cities and elected officials to analyze options for a year-round North County shelter
- Engage with (and lobby) county, state and federal representatives to make reducing homelessness a top priority
- Encourage the County of San Diego to allocate more resources for mental illness, substance abuse, affordable housing, sheltering, etc.
- Continue to analyze best practices, such as the Housing First model
- Encourage service organizations to engage with nonprofit service providers that help the homeless population
- Expand efforts to prevent homelessness through Housing programs
- Apply for State Homeless Emergency Aid Program block grant funding

Assistance Resource Directory	Version: 2.1
San Diego North County	Date: 08/30/18

1. Introduction

This directory is focused on providing resources for individuals and families in need of assistance for temporary shelter, low rent housing, substance abuse programs, domestic violence, medical attention and multiple assistance programs. It is designed to be a consolidated list for resources within the North County of San Diego, reducing the amount of searching on the Web, and making it easier to find the right resource for your immediate needs.

While this directory has a lot of information, it is by no means complete, and is constantly being reviewed for relevance. There are still though resources and information provided by other organizations that also provide assistance, that have additional information that will be helpful. Below is a quick overview of the most common reference resources.

1.1 211

An important local San Diego resource is 211 San Diego. They are a trusted, local, nonprofit organization with connection to over 6,000 community, health, and disaster services, they provide a free, 24 hour, confidential phone service in 200+ languages and a searchable online database. They work closely with San Diego County and other local resources to connect you, your family, and other residents to community-wide service organizations that focus on health, food, housing, disaster, veterans, and other specialized needs. To contact them, all you need is to dial 211. Below is their link and alternative phone number.

<http://211sandiego.org/>

Dial 2-1-1 or (858) 300-1211

1.2 Homeless Shelter Directories

There are two national directories for homeless shelters. These directories are provided by non-profit organizations.

<http://www.homelesshelterdirectory.org>

<http://www.shelterlistings.org>

1.3 San Diego County

The San Diego County has numerous services to help those in need to recover and improve their lives. Here's some quick resources covering all aspects of recovery.

The Housing Resources Directory was prepared by the County of San Diego's Department of Housing and Community Development to provide residents and the community agencies that serve them with information on housing resources available to low- and moderate income households. Here's a brochure which has information on programs that include rental assistance, housing rehabilitation, shared housing, public housing, home purchasing assistance, and emergency shelters.

http://www.sandiegocounty.gov/content/dam/sdc/sdhcd/docs/rental-assistance/housing_resource.pdf

Here's their phone number. (858) 694-4801

The Behavioral Health Services (BHS) Division provides mental health and alcohol or other drug services for children, youth, families, adults, and older adults. Here's a link to that page for additional references.

2. Housing

2.1 Emergency Shelters

This is a listing of emergency housing/homeless shelters. Many of these shelters now have waiting lists and can be very long. Please call before going to them. Shelters and service also go out of business, so call ahead to confirm that this location is still active. Other alternative directories for homeless shelters are found here at these websites.

Solutions for Change 722 West California Ave. Vista, CA 92083 (760) 941-6545 www.solutionsforchange.org	Solutions for Change is a nonprofit committed to solving family homelessness through our Solutions University program. This unique program is a 1,000 day partnership that equips families with the skills, knowledge and resources that create amazing life transformations. It's not just a housing solution, it's a "change your life" solution. Our program includes counseling services to overcome past hardships, classes on parenting, leadership and household finances, job skills training and work experience. Requires full custody of all children under 18. The program is a 4 – 6 month program with a shared room upon acceptance.
Transitional Housing for Families St. Vincent De Paul Village 1501 Imperial Ave. San Diego, CA 92101 (619) 233-8500 Hotline (800) HOMELESS	Adults must be 18 years or older and bound by marriage and/or child. Must provide proof of familial relationship prior to intake.

Assistance Resource Directory	Version: 2.1
San Diego North County	Date: 08/30/18

2.4 Transitional Housing

Transitional housing/shelter is generally provided in apartment style facilities with a higher degree of privacy than short-term homeless shelters; may be provided at no cost to the resident; and may be configured for specialized groups within the homeless population such as people with substance abuse problems, homeless mentally ill, homeless domestic violence victims, veterans or homeless people with AIDS/HIV.

In some cases, a “transition in place” option allows families to continue living in the same complex (if not the same unit) where their transitional housing unit is located when they are ready to move to permanent housing. In other cases, the permanent housing option is either public housing or private rental housing supported by a tenant-based voucher subsidy. Included are post-domestic violence shelter housing programs that make affordable rental housing (or other accommodations) available to women, generally those who are coming directly out of a domestic violence shelter or other crisis shelter, often apartment complexes owned by the shelter.

Name/Address/Info	Focus	Details
Alpha Project - Casa Raphael 993 Postal Way Vista, CA 92083 (760) 630-9922 www.alphaproject.org	Men only MediCal, Private Insurance	2.4.1.1 Inpatient drug rehab (6, 9 or 12 month) program. 2.5 Low Rent Permanent Housing

This section is directly from the San Diego County Housing brochure. The apartment complexes included in the Affordable Housing Inventory target a range of eligible incomes. Contact the apartment complexes directly for information on rents and income requirements. For a more details of each apartment listed below, download the San Diego County Housing brochure at the link below.

http://www.sandiegocounty.gov/content/dam/sdc/sdhcd/docs/rental-assistance/housing_resource.pdf

Other websites that provide a listing of affordable housing in San Diego County are:

Website	Description
www.bridgehousing.com	High quality affordable homes for working families and seniors
www.affirmedhousing.org	San Diego based new multi-family apartment communities and the rehabilitation of existing family and senior apartment projects in urban and suburban.
http://nationalcore.org	Hope through housing foundation

For most of the apartments listed below, there is a long wait list. The information below is updated with the latest information on waitlist and income requirements as of August 2017. The apartment complexes included in the Affordable Housing Inventory target a range of eligible incomes. Contact the apartment complexes directly for information on rents, income requirements and the latest status on waitlists. Most of the programs included in this directory are available to households whose annual income is below 80% of San Diego's Area Median Income (AMI). Below is a table on AMI requirements, which vary based on family size.

San Diego County Income Limits Effective April 1, 2018			
FAMILY SIZE	80% of AMI Low Income	50% of AMI Very Low Income	30% of AMI Extremely Low Income
1	54,500	34,100	20,450
2	62,300	38,950	23,400
3	70,100	43,800	26,300
4	77,850	48,650	29,200
5	84,100	52,550	31,550
6	90,350	56,450	33,900
7	96,550	60,350	38,060
8	102,800	64,250	42,380

3.2 Food Banks

The North County Food Bank distributes food to 112 North County-based nonprofit partners that collect food from its warehouse facility in San Marcos, and they distribute the food directly to people in need in communities throughout North County. The North County Food Bank's nonprofit partners include: food pantries, soup kitchens, shelters, low-income daycare centers, senior centers, faith-based organizations, schools, and day centers for the elderly and disabled. Locations at which to obtain food distribution are:

Flash Gigz Website for finding last minute labor. Flash Gigz ends the hassle of finding last minute labor with a system that lets Contractors locate, hire and pay for services when they need them. www.tradejobz.com	How it works. The skilled worker creates a Service Provider profile. The worker will be contacted by the Flash Gigz Team to verify skills and experience. The skilled worker profile will then be activated and can begin to accept gigs. The worker goes online in the morning so contractors can request services based on their workload for the day. At the conclusion of the gig, the contractor will pay Flash Gigz by credit card. The worker receives payment every Friday by direct deposit to a bank account, a debit card or via PayPal.

7.2 Employment Training

There are numerous websites that can help with improving your job situation either in training, further education, exploring careers or in job searches. A nice website to explore is sponsored by the US Department of Labor. The website below provides tips on job search planning, networking, job banks, resumes and applications, interviews, and job search tips.

<https://www.careeronestop.org/JobSearch/job-search.aspx>

7.3 Most Popular Job Websites

There are literally hundreds of job websites with listing of jobs. Below is a quickly list of the most popular ones.

Program	Description
Cal Jobs www.edd.ca.gov/Jobs_and_Training/Caljobs.htm	CalJOBS SM system is California's online resource to help job seekers and employers navigate the state's workforce services. The enhanced system allows users to easily search for jobs, build résumés, access career resources, find qualified candidates for employment, and gather information on education and training programs.
www.indeed.com	Aggregates job listings from thousands of websites , including job boards, staffing firms, associations, and company career pages
Robert Half www.roberthalf.com	search thousands of job listings from the companies around the world. Many of the opportunities we offer are exclusive to Robert Half
Career Builder www.careerbuilder.com	One of the biggest job boards, and its robust search function allows you to filter by several criteria, including location, degree required and pay range
Job.com www.Job.com	This large site offers weekly job alerts, job search advice, a resume builder and, of course, job postings.
Monster www.monster.com	This massive job site is aptly named because it includes one of the largest number of job listings of any website. It also allows you to upload your resume and offers networking boards, as well as a search alert service
Resume Builder Jobsites	<ol style="list-style-type: none"> 1. https://www.kickresume.com/dashboard/1/0/ 2. https://resumecompanion.com/ 3. https://www.myperfectresume.com/ 4. https://www.pongoresume.com/index.cfm
Simply Hired www.simplyhired.com	This search engine offers an email alerts service and lets you save your job searches. Candidates can sort their searches to focus on companies that hire veterans, have a high rate of diversity and abide by eco-friendly practices.
Us.jobs	This search site is particularly useful for those looking for state government jobs. It collects postings from state work agencies, as well as other company websites.

San Diego North County	Date: 08/30/18

7.4 Education and Training

Organization	Description
Bread of Life Winter Rescue Mission Oceanside, CA 92054 (760) 722-0800 www.bolrescue.org	Computer Lab (Job search, applications etc.) Monday-Friday 2-4:30pm
CA Conservation Corps – CCC (800) 952-JOBS	This program provides young men and women 18 – 25 years old a year of paid service to the State of California. During their year of service, Corpsmembers work on environmental projects and respond to natural and man-made disasters. Through this work, they gain skills and experience that lead to meaningful careers.
CSUSM Extended Learning Vista Community Clinic (760)407-1430	Medical Assistant Training Program Ages 18 and older with HS Diploma maprogram@vcc.org
Center for Employment Training 4153 Market St. San Diego, CA (619) 233-6829	The mission of CET, an economic and community development corporation, is to promote human development and education by providing people with marketable skills training and supportive services that contribute to self-sufficiency. We are driven to help those who want a better life get the skills needed for meaningful work. CET's job training programs teach marketable skills to people of all educational levels and backgrounds, especially those most in need. In addition to teaching trade skills in growing fields, we provide supportive services and job placement assistance.
Job Corp 1325 Iris Avenue Imperial Beach (800) 733-5627	Job Corps is a no-cost education and career technical training program administered by the U.S. Department of Labor that helps young people ages 16 to 24 improve the quality of their lives through career technical and academic training.
McKinney- Vento (760) 966-7802	To determine a student's McKinney-Vento eligibility, school districts must determine whether a student's living arrangement meets the McKinney-Vento definition of homeless. In this process, school districts may encounter instances where they feel the need to confirm information provided about a child's or youth's living arrangement. This NCHE brief provides local homeless education liaisons and school districts with recommended steps to take and practices to avoid when seeking to confirm a student's McKinney-Vento eligibility.
Mira Costa College 1831 Mission Ave. Oceanside, CA (760) 795-8710	A public California community college. MiraCosta College offers associate degrees equivalent to the first two years of a bachelor's degree (2+2 program). With an associate degree, students can transfer to a 4-year university or begin work. MiraCosta also offers over 50 different certificates for students interested in short-term training in a specific career area. Certificates can be completed in one or two years.
NC Inland Career Center 613 West Valley Parkway #220 Escondido, CA (760) 871-1962 NC Coastal Career Center 1949 Avenida Del Oro Suite 106 Oceanside, CA (760) 631-6150	ResCare's Workforce Services helps those who have significant barriers to employment, have lost their jobs or are just entering the workforce. ResCare's highly professional staff helps individuals to identify employment, and or obtain education and training. ResCare is the largest private provider of workforce services in the United States. We offer comprehensive services that prepare workers for high-growth, high-demand industries.
