Hi Heidi,

We are pleased to inform you that the Oceanside Small Craft Harbor District has been selected to receive supplemental funding under the SAVE25 program. Your application demonstrated a clear need for additional funding and your agency's readiness to use these funds effectively. We appreciate your continued efforts to address abandoned and surrendered vessels in your jurisdiction. Due to limited funding, not all agencies received the full requested amount; however, DBW made every effort to provide funding sufficient to address the vessels identified in your narrative application.

**Award Details**

Award Amount: \$25,000  
Grant Period End Date: September 30, 2027

Awarded funds must be fully expended and all reimbursement requests submitted prior to the grant period end date. Please ensure that your project timeline, staffing, and any required contracts are in place to support timely expenditure.

**Next Steps**

You will receive a grant amendment and additional instructions in a separate email. If you have any questions in the meantime, please do not hesitate to reach out.

Thank you for your partnership and your continued commitment to clean, safe waterways.
