6 **§15.62 Title and Purpose**

7  
8       The purpose of this article is to establish a sidewalk vending business license and  
9 regulatory program in compliance with Senate Bill 946. The provisions of this chapter allow  
10 the City of Oceanside to encourage small business activities by removing sidewalk prohibitions  
11 on small-scale stationary and mobile vendors of goods, wares, merchandise, or food items  
12 under a regulatory and enforcement program that protects the public's health, safety, and  
welfare. In order to promote the public's health, safety, and welfare, the City of Oceanside has  
limited restrictions on sidewalk vending necessary to ensure:

- 13       (a) Limited interference with the performance of a police officer, firefighter, lifeguard, or  
14 other emergency personnel;
- 15       (b) The safe flow of pedestrian and vehicular traffic;
- 16       (c) Maximize public access to public parks and along the coast; and
- 17       (d) Reduce exposure to personal injury or property damages.

18       All sidewalk vending business activities shall continue to be regulated in accordance with  
19 this article and chapter 15, article I.
