<u>REVISED</u>	<u>7-01-26</u>

It is the policy of the City Council that no off-agenda items requiring Council action (including the City Manager's and the City Attorney's agenda items) be considered by the City Council unless one of the following criteria is met:

- 1) An emergency situation exists;
- 2) The Council determines by a two-thirds vote, or by a unanimous vote if less than two-thirds of the Council is present, that the need to take action on the item arose subsequent to the posting of the agenda; or
- 3) The item was included in an agenda for a prior meeting occurring not more than five days prior and was continued to the meeting at which the action is to be taken.

If the Council determines that the need to take action arose subsequent to the agenda posting, pursuant to criteria 2 above, it shall make that determination by separate motion, including the reasons for the determination. Those reasons shall be reflected in the Council minutes.

It is the responsibility of the Chairperson of any Council Committee to have all items requiring Council action placed on the agenda; otherwise that item will be subject to the same restrictions as another off-agenda item.

Notwithstanding the above, a Councilmember may, under City Councilmember Reports, give an informational report on any item not on the agenda, providing that no discussion or action takes place on that item.
