Ah, bummer! Yes, it will be recorded & I can send it to you after. I would also be happy to schedule a follow up meeting if you have any questions.

Hi Bryce,

I have a scheduling conflict during this time period. Will the zoom be recorded so I can review it after? Thanks!

Hello,

Please join the State Coastal Conservancy for a virtual Grantee Onboarding Training on Tuesday, June 25 from 12:00 pm - 1:00 pm hosted on Zoom: <https://scc-ca.gov.zoom.us/j/85828876020?pwd=fL1JoqxjTZVnkbVH5bzeMqdc2uKEv5.1>

Your organization has a project that was approved for funding at the Conservancy's June 6, 2024, board meeting. Congratulations! We want to help you navigate how to successfully manage a Conservancy grant by hosting an onboarding training for new and returning grantees. This training will be a great opportunity to ask any questions that you may have about managing a grant with us. During the training, we will go over the steps required before you can start work on your grant, how to request payment, expectations for managing your grant, how to close out your grant once the project is complete, and other helpful tips. We hope you take advantage of this time to learn from Conservancy Project Managers and make connections with other grantees doing great work!

Please RSVP through this outlook calendar invite. Please feel free to forward this invite to others from your organization that will be involved in managing your Conservancy grant.

We look forward to seeing you there!

Best,  
Bryce
