Comments	Honorable Mayor and City Councilmembers, I have a question on item 12 of the June Agenda for City council for the June 3rd. City Council meeting. The funding for this study has funding from the account (Jr. Lfgd HQ/Hbr Office/RR Rpic) available budget \$590,220. The PSA will provide the rest of the amount of \$131,532. Where is this funding coming from? Is it the general fund or the Harbor Enterprise Fund? It is my understanding that this project was to be funded by Grant which the Lifeguard are applying for. Please qualify where the funds for the PSA is coming from.
