Thank you for your business!

LIB7 Bookmobile Build - City of Oceanside – Department of Public Works

Contact: Casey Van Der Linden, Fleet Services Manager

Starting Price: \$89,000

Final price at bottom of bid proposal

- This is upfit and airfare for up to 4 people
**Price is good for 60 days*
- Vandoit is a DBA of Kline Van and Specialty Rental LLC
 - All payments and documents will be processed with the business name “Kline Van and Specialty Rental LLC”
- Transportation expense invoiced separately
- Administration / fees are included in price
 - *This does not include taxes and local fees for titling with your state / city*
- Payment Terms
 - *Payment required for build acquisition at the time of inception of contract*
 - *Build process will not begin until acquisition payment has been made*

Value Add:

- Vandoit is a FordPro Certified Upfitter with Ford Motor Company
 - *Vandoit modifications and adds do not void Ford factory warranties*
 - *Because we have built on Ford Transits for years, we have become specialists on the chassis and can assist you with your local Ford dealer if issues arise*
- Due to the design of our modular system, adapting the build to the use case over time increases success for the user while also increasing return on investment with no additional large financial injections
- Warranty coverage and support on all items provided by Vandoit
- Years of research and development with the same components on the road in 1,200+ units
- Customer Support available 8am – 5pm Central
 - *Additional support options available with yearly contract / purchase*
- Because our upfits utilize additional power storage and solar charging, they are a great addition to being a green service. Additional generators—which increase pollutants and noise—are not a need for our builds because they utilize the chassis’ engine for charging

Chassis:

Provided by Olathe Ford

Key Upfit Layout / Design:

- Rear countertop on driver side of van
- All electrical located under work bench on driver side of van
- Versatile attachment points on driver side and passenger walls
- Design allows for walking through the build from the rear doors through the passenger slider door
- Swivel driver and passenger front seats
- Cubby style storage along ceiling of van located on both sides
 - *Locking doors with dividers in overheads*
- Lagun style pivot work surface mounted behind passenger seats
- Mobile Desk
 - *Movable so client can move outside van for use (preferred size 34x20, <https://www.uline.com/Product/ProductDetailRootItem?modelnumber=H-6746>)*
- Built-in storage slot for tables and chairs inside the van
- Tommy lift gate
 - *Provides efficient access for moving carts in and out of the vehicle during transport*
 - *TOMCVL-AG-1330 EF71*
 - *Cantilever Series; 1300 lb. Capacity; 53 x 60 Load Area; Aluminum*
- Built in storage for books
 - *Custom shelving to support books floor to ceiling on passenger side*
- Floor-to-ceiling tub storage on the passenger side for customer-supplied totes

Heating and Cooling:

- Rooftop air vent for ventilation

Lighting – Interior:

- Interior work / can lighting
- Interior RGB “mood” lighting

Lighting – Exterior:

- Passenger side light pods
 - *Located under awning*

Exterior Build Components:

- VDI Roof Rails
 - *All antennas and exterior components mounted directly to roof rails*
- Awning located on passenger side of chassis
 - *Driver side awning available to add*
- Exterior TV screen and sound system
 - *32" TV screen on rolling tripod*

Included upfit power:

- 6,000 - watt hours of power storage
 - *Power storage can be increased or decreased based on budget and needs*
- 2,000 - watt inverter
 - *Power inverting can be increased or decreased based on power storage selected*
- 100 amp charging capacity off factory alternator
 - *Additional charging capacity off chassis is available based on needs*
- 15-amp shore power hookup
- 200 watt of roof mounted solar
- Multi-location load switching
- 12 count, 110 volt outlets located throughout build (power strip locations also included)
 - *10 wall mounted with dual 110 and USB and USBC and 2 pill mounted power strips with 110 only*

Interior Build Components:

- Trashcan with foot opening ability
- Book carts
 - *4 book carts included in build*
 - <https://www.demco.com/smith-system-reg-buffalo-sloped-shelf-narrow-booktrucks>

**Client-provided items will incur a \$160/hour installation fee - Can include estimated hours in our bid to avoid a separate invoice.*
