Council Meeting Date	03/11/2026
Agenda #	23
Subject	DG sidewalks in North River Farms subdivision
Position	In Opposition
Name	First Name: Rachel Last Name: Arries
Oceanside Resident	Yes
Full Address	Street Address: 108 Metz Way City: Oceanside State: CA Zip: 92057
Comments	The DG sidewalks in the North River Farms subdivision have extensive pits, ruts, deep channels, and large potholes to the degree that I cannot wheel over them in my wheelchair without getting stuck, or even risking tipping over. As a result, I would have to use the street, and if any cars are parked along the curb, then I would have to go in the middle of the street, which is very dangerous for me.
